Why these leads turn into revenue

A real reason to buy

Every company has just done something that creates demand for your service: founded, hiring, growing, moving.

You call first

Leads arrive days after the event, often before the company has found a provider.

Only for your firm

Each lead goes to one firm in your field only. No competitor calls the same company.

HOW IT WORKS

01

You choose your focus

The industries and signals that fit your business, or simply the whole country.

02

Every Monday

A fresh report like this one, as PDF and spreadsheet for your CRM.

03

You call and win clients

Phone, email, contact person and a short sales briefing in every lead.

PLANS
