

★ PREMIUM LEADS

Businesses that need a (better) website

Delivered every Monday

WE FIND

Stop searching Start winning clients

No more cold lists and endless research. Every week you get businesses with a real reason to talk to a web agency. Checked, complete and ready for your first call.

Verified

Phone, email and address are checked before you get them.

Exclusive

Each lead goes to one agency only. No shared lists.

Ready to call

Every lead comes with a reason and an opening line.

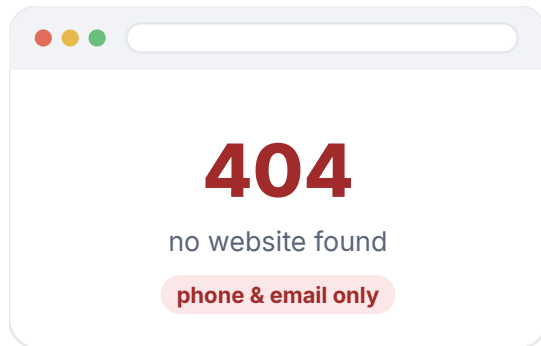

Fresh

New leads every week, straight to your inbox.

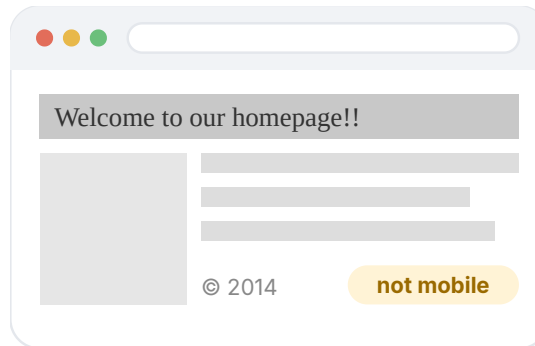

They need you **now**

Customers search online first. If they find nothing or something that looks broken, they go elsewhere. That is your opening.

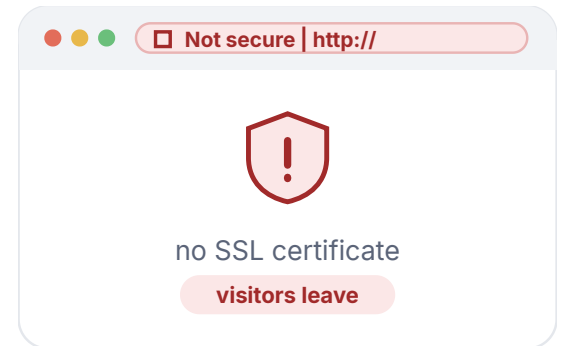

No website

Reachable by phone and email, but invisible online. Your pitch: their first website.

Outdated website

Old design that does not work on phones. Your pitch: a modern redesign.

Not secure

Browsers warn visitors away. Your pitch: SSL, hosting and care.

Everything you need Nothing to research

- ✓ Why they need a website, your talking point
- ✓ Checked phone number and email
- ✓ Full business address
- ✓ Who to ask for
- ✓ An opening line for your call

Pick up the phone and go.
